SEASONAL SOURCE®

The Contractor's Choice

Seasonal Source is the contractor's choice for *professional* holiday decorating. Lights are a big part of the holiday season and we are *happy* to be a part of our customer's lives! Building a turnkey business solution for contractors that offers the very best was no small task.

COLOR CONSISTENCY

We know how important it is for product to match year after year and from product to product. That's why we're proud to boast of our 100% color match guarantee.

SUPERIOR QUALITY PRODUCT

Our product is created with the professional contractor in mind! Each item promises sophistication and innovation. Plus, it's incredibly dependable. With a warranty that backs it up, Seasonal Source product outperforms competition and will exceed your expectations.

IN-SEASON INVENTORY

Forecasting for the holiday decorating season can be a challenge so we make sure to have our customers' backs by heavily stocking our "A" items.

INVALUABLE SUPPORT FROM OUR TEAM OF HOLIDAY EXPERTS

With a wealth of knowledge about everything holiday decorating and unbeatable customer service, our team is ready to assist you grow and sustain our customers' holiday decorating business.

TRAINING AND MARKETING RESOURCES

We provide effective easy-access marketing and sales tools to find new customers and grow our customer's businesses. On top of that, we offer a variety of training and educational services that allow us to help you become the expert!

We make you look good!

TABLE OF
contents

DURA BRIGHT
LED STRANDS

best seller

Our DuraBright strands feature a smaller, sleeker design that produces a *brighter* shine. Thanks to new manufacturing technology, these strands boast of more durable and higher quality construction while maintaining Seasonal Source's color consistency.

Provide your customers with the *exact* look they're looking for. Choose the 4" spacing for a brighter effect due to more lights on the strand. The 6" spacing is a great option to create a similar effect at a lower price point.

pre-balled for your convenience!

CONVEX
DURA BRIGHT

DURABRIGHT CONVEX

Our distinguishable DuraBright Convex strands create a new look by projecting the light out onto their surroundings to light up nearby bushes, walls, and trees.

WHICH BULB IS RIGHT FOR YOUR JOB?

A variety of bulb styles, sizes, colors and types to choose from means you can create the perfect holiday decorating installation for your customer. But where to start? Here are some options to take into consideration.

CHOOSE THE STYLE OF BULB

We offer two different styles of bulbs, whether you are going for traditional or a fun party style. Also available in different sizes so you can achieve the exact look your customer has in mind!

C9
C7
Traditional

G50
G40
Party Style

CHOOSE THE TYPE OF BULB

DURABRIGHT:
This popular bulb has 2 SMD LEDs, giving each bulb a 360-degree vibrant color at a competitive price point.

SMD:
With 2 SMD LEDs in a C7 and 3 in a C9, this tried-and-true bulb gives colors that pop and has the best visibility from the sides.

FILAMENT:
With COB LED filament technology, these bulbs are designed to mimic a traditional incandescent bulb while delivering the same brightness of SMD.

CHOOSE THE SURFACE FINISH

FACETED:
A faceted finish creates a unique sparkle that helps to distribute the light evenly. It is the most common and most durable of the finishes.

SMOOTH:
A smooth finish produces a solid glow to create a rustic look.

TRANSPARENT:
Transparent bulbs mimic an incandescent bulb that shows off the filament and LED diodes on the inside of the bulbs.

CHOOSE THE COLORS

You can choose to go with a monochromatic look or pick a combination of colors for a unique look. Check out our **LOOK BOOK** and watch the **DESIGN COURSE** on our online training portal for more design ideas.

Holiday Lights

Timers & PLUGS

Make life *easier* — include a timer!

Easiest to use!
TIME-100

The TIME-100 is a mechanical timer that's easy to set and allows for any number of on/off settings.

Set & forget!
TIME-300

The TIME-300 is an outdoor photocell timer that uses sunlight to turn the lights on and off. This means the timer will automatically adjust to changing sunset times and can turn off in 2, 4, 6, or 8 hour or simply at sunrise!

Most versatile!
TIME-600

The new TIME-600 gives you a full range of programming options for each specific day of the week or for a lived-in look while you're away. A battery back-up means you don't have to make a service call when there's a power outage.

Part#	Description	Minimum Purchase Quantity
TIME-100	Heavy Duty Outdoor Mechanical Timer w/ 2 Outlets	1
TIME-300	Mechanical Photocell Outdoor w/ 2 Outlets	1
TIME-600	7-Day Digital Outdoor Timer w/ 2 outlets	1

Outdoor SMART PLUGS

introducing our new Smart Plugs. Download the free Globe Suite™ App to schedule, control and automate your Smart Plug. App features include voice control, grouping, device sharing and more. Also compatible with Alexa, Siri, Google Assistant and SmartThings.

Two independently controlled outlets

TIME-700

Features 2 grounded outlets. Requires the Globe Suite App, Wifi, and a mobile device running iOs 9.0 / Android 4.4 or higher. Choose this timer if you want to have control over seperate zones!

Three simultaneously controlled outlets

TIME-800

Features 3 grounded outlets. Requires the Globe Suite App, Wifi, and a mobile device running iOs 8.0 / Android 4.1 or higher.

Part#	Description	Minimum Purchase Quantity
TIME-700	Timer with Two Simultaneously Controlled Outlets	1
TIME-800	Timer with Three Simultaneously Controlled Outlets	1

SPEC GUIDE

INFINITY LIGHTING

BY SEASONAL SOURCE

Meet Infinity Lighting, the NEW, revolutionary way to light exterior rooflines. Paired with our Infinity Lighting app that can be downloaded from any App Store, the possibilities are *infinite!* Program the lights for any holiday or event and they'll do the rest.

With a unique, patented design that mimics the look of a traditional forward facing holiday light. Infinity Lighting creates visibility of the lights at night from every angle while making sure they're "hidden" during the day.

MUNICIPAL

Government-owned areas and facilities like Government buildings, streets, parks, libraries, schools and more provide great opportunities for Seasonal Source product to turn any city into a holiday wonderland. Bids typically occur at the beginning of the year when the budget is still available so start early!

RESIDENTIAL

Homes, landscapes, & neighborhoods come alive with the splendor & vibrant color from Seasonal Source lights. This segment is distinguished by high-income homeowners in upscale neighborhoods with an average age of 40-60 years old. New markets are emerging among the elderly, disabled, single parents, & newly constructed neighborhoods.

COMMERCIAL

Restaurants, shopping malls, country clubs, hotels, resorts, banks, and car dealerships comprise the commercial market. The majority of commercial projects have stable budgets for holiday decorating regardless of economic conditions. These can be sold year-round with the peak season of bids happening January to May.

Traditional

This look captures exactly what comes to mind when you think of "*Christmas lights*". Traditional designs contain colors such as Sun Warm White, Red, and Green. These colors are repeated throughout the greenery, specialty lighting, and lights along the roofline, trees & shrubs, and in the ground giving you the cozy, Christmas feel. You can never go wrong with a traditional lighting style that is sure to last the test of time!

Winter Wonderland

Spread Christmas cheer by turning your home into a winter wonderland! The bright colors in this look give off a fresh, crisp colorful Christmas décor style. Nothing says "merry & bright" like pink, purple, and blue lights! These colors paired with our Sun Warm White lights along the roofline create the perfect Winter Wonderland in your front yard!

Christmas Cheer

Our Christmas Cheer looks incorporates all of the classic Christmas colors: red, green, and sun warm white. Tying them together in a vibrant pattern that is sure to "wow" the neighborhood! In addition to the roofline lights, we've added our light stakes around the perimeter of the yard to add an extra touch to those walking by and we've adorned the trees with light strands and the windows with bows and wreaths. The mix of red, white and green is a holiday classic that will bring the *happiness* of the holidays to your home each year! ✳

Candy Cane

Our Candy Cane look is the perfect alternative to our "Traditional" style. This look allows you to still incorporate all of the traditional colors and décor but add just the right amount of flair. The Red & Sun Warm White colors together are strung along the roofline in a pattern to replicate a "candy cane" as well as solid colors being strung in the trees and the archway framing the front door to really make those features *pop.* ✳✳✳

D = G12 Red & Pure White Premium Strands • *34620R-B*

Halloween

Add some spooky lighting to your home for Halloween! Elevate your traditional *"pumpkin front porch"* and add these lights to further your Halloween spirit. The green, purple, and orange lights hung along the roofline, on trees, and on accent features of your home give off the perfect eerie feeling of Halloween.

WARRANTY

Seasonal Source products are ULA and/or CSA/US approved as represented to us by third parties. They are manufactured and rated for temporary installations (up to 90 days at a time) and are not intended for permanent, year-round, prolonged or continuous use. All Seasonal Source products are warranted against manufacture defects for 3 years of seasonal usage (90 day increments) from the date of purchase. The warranty is null and void if product is used or installed in a manner other than the manufacturer guidelines and recommendations. Product that has been cut, altered, abused, or misused in any way will not be eligible for warranty. The warranty applies to the return of the product for the purchase price only and does not apply to or cover the costs or damages resulting from property damage, personal injury, loss of business, shipping fees, or labor related fees for installation or removal of products. Please contact your local distributor for specific warranty procedures. Warranty only applies to products with verified manufacturing defect or failure. Returns of un-used product are not allowed under warranty. All warranties not expressly stated and provided herin, including, but not limited to, implied warranties, such as those for fitness, merchantability and/or for a particular purpose, are hereby expressly disclaimed and have no application ot the product. This disclaimer may be limited depending upon the state with jurisdiction over the application of the warranty.

WE MAKE THE HOLIDAYS
bright!

Seasonal Source is the contractor's choice for professional *holiday* decorating. Our lights adorn houses, restaurants, parks, shopping centers, schools, festivals, city offices, and more. Lights are a big part of the holiday season and we are happy to be part of our customer's lives!

As the premier brand for holiday *lighting*, Seasonal Source is proud to be known for quality and dependability on all our products. We have the most innovative and sophisticated holiday lighting offering. We not only offer the best products; we also offer a wealth of knowledge through training and educational services. We provide invaluable *support* through unbeatable customer service and effective marketing and sales tools.
